

2015 AIA Spokane Allied Membership

An Allied Membership gives you access to member communications and discounts on AIA documents and member events. Please see the enclosed letter from Becky Barnhart, AIA, our 2015 President, for more information about our 2015 activities.

We realize that some Allied Members may not be interested in offering a Lunch n'Learn, therefore we continue to offer two different dues levels to better serve your needs. If you have access to and would like to offer our members an AIA CES approved course that qualifies for HSW credits please select the Membership – with Lunch n'Learn option below.

Return a copy of this form with payment to: AIA Spokane, 827 W. 1st Avenue #323, Spokane, WA 99201. Please help AIA Spokane manage costs by paying your membership dues via check and save our organization the credit card transaction fees. However, if you need to pay via credit card please contact the AIA Spokane office at 747-5498 and we will make arrangements.

Thank you for your involvement and professional contribution to the architects and members of AIA Spokane! If you have questions, comments, or suggestions please contact Katherine Mitchell, Executive Director, AIA Spokane, (509)747-5498, or at office@aiaspokane.org

Membership fees paid to AIA Spokane are not deductible as charitable contributions; however, they may be deductible under other provisions of the Internal Revenue Code.
