

## Welcome to Messiah Lutheran Church

We invite you to attend an “Ice Cream Social” honoring Bill Trogdon, FAIA and his colleagues for his design of Messiah Lutheran Church 55 Years ago, in 1961. We welcome you to this event to honor Bill on his 91 ½ year birthday.

10:00 am worship service in our sanctuary where Harold Balazs designed and created one of the largest Christian symbols of any in the Northwest U.S. churches and synagogues with his art. See, feel and touch his unique concrete sculptures and “enamel on copper” artwork that were his specialty, also created 55 years ago, while the building was being constructed. We honored Harold Balazs, age 87, on January 31, 2016.

We will have special music by our organist, Chris Nelson, featuring our German Werner-Bosch pipe organ.

We will honor Bill Trogdon and his colleagues on July 31 in the Fellowship Hall immediately after worship with an “Ice Cream Social” hosted by the Messiah Endowment Committee. A 30 minute digital photography program of his favorite design projects located within the Inland Empire will be presented by Doctor Otto Stevens. Bill was involved with many projects in the area that you may or may not realize.

Unlimited time will follow for visiting, fellowship and story-telling among colleagues and friends.

Summer is a time for classmates’ homecoming. Messiah invites you to a “church-mates” homecoming.

*“The Grace of the Lord Jesus Christ and the love of God and the fellowship of the Holy Spirit be with you all.”*
